RESIDENCE LIFE ADMINISTRATIVE POLICIES
These policies govern the administrative and operational aspects of the residence life program at Pace University’s White Plains Campus. Violation of these policies may result in administrative fees or fines, or delays in processing administrative requests. Extreme violations of these policies may result in judicial action against the resident which may lead to eviction from the residence hall.

Room Placement Policy
The University reserves the right to determine and assign the housing space to be occupied by the student and to reassign alternative accommodations as circumstances warrant. Should the Office of Student Services & Residential Life reassign the student to an alternative accommodation, a proportionate rate differential may be charged upon date of reassignment.

Dates of Occupancy
The right to occupy will commence one day prior to the start of the academic semester. Failure to take occupancy after the first full week of classes or to notify the Office of Student Services & Residential Life in writing of a late arrival may result in the cancellation of the Housing Agreement. All room assignments must be vacated no later than May 21, 2012.

Room Condition Reports (RCR)
The RCR offers the resident the opportunity to thoroughly inspect the room and record its condition. Upon check-out, this report will be used to assist staff in assessing the room’s condition and may result in the issuance of a damage charge. The process of properly completing the RCR will proactively assist the resident and the staff in determining whether charges for damage should be the responsibility of the individual.

Check-in Procedures
Only registered students with a $0.00 balance on their University first installment may check-in. Upon arrival, you will have 15 minutes to unload your vehicle and vacate the unloading zone.
We request that you keep to the 15 minutes so that everyone moving in has a chance to unload in a timely manner. Students may not have furniture other than what is provided by the University. University furnishings may not be removed from rooms as they meet important safety standards. Students checking into a room must sign and obtain their copy of the Room Condition Report (RCR) for their records as they will be held accountable for the condition of the room upon departure.

Administrative Freeze
During this two week period, no room transfers are approved. This period allows students an opportunity to become acclimated to their new environment, community, and roommate(s), while allowing the Office Student Services & Residential Life, Admissions, and Academic Departments to verify student status, accounts, and occupancy. The Freeze Period is in effect from Check-in through the second full week of classes.

Open Transfer and Request Procedure
The week following our Administrative Freeze, students interested in transferring into a different room may request a transfer with their RD. If space is available to accommodate the request, the RD will approve the request. This week is referred to as “Open Transfer Week”. All transfer requests are subject to review and NOT guaranteed.

Improper Room Transfer
A resident who moves to another room/unit without proper authorization from the RD is considered to have conducted an Improper Room Transfer. The resident will be assessed an improper check-out fee of $50 and may be subject to disciplinary action.

Check-out procedures
Students leaving an assigned space for any reason (transfer, consolidation, contract termination, or end of year/session) must complete the check-out procedure. Any portion of the check-out procedure not completed will result in a charge/fine. The Check-out procedure includes:

- Attending final floor meeting
- Making an appointment with your RA at least 24 hours before departure
- Cleaning your room (i.e. remove garbage, vacuum, wiping all surfaces, etc.)
- Returning furniture to original position
- Removing all personal belongings
- Returning your room keys and/or key cards to your RA
- Signing the Check-out RCR

Abandoned Possessions
It is important that students remove all personal possessions, furnishings, trash, and discarded items at the time students depart their rooms. Property left behind in students’ rooms will be considered abandoned and will become the property of the University. Students will be charged for the removal of any abandoned items from their former rooms.

Lock Out
Keys should be carried at all times and shall not be loaned or duplicated. Staff members are not responsible for students’ lock-outs. If you become locked out of your room between 8:00am and
12:00am, you should go to the front desk. If it is after those hours, you should contact the RA on duty. The fee for the fourth lock-out will be $5.00, and the fee will increase by $5 for each subsequent lock out ($10 fifth, $15 sixth, etc.).

Keys (entrance and room) are the property of the University and must be surrendered on termination of the residence. Keys which are not returned at the designated time, through authorized check-out procedures, will be considered lost keys. Lost room keys will result in an automatic lock change ($60). A charge of $25 will be assessed for replacing an entrance key.

Residents may not install auxiliary locks or tamper with existing locks.

Posting
Notices, flyers, ads and other informational items may be posted only on designated boards by the Office of Student Services & Residential Life staff. Postings are not permitted on painted surfaces, glass windows, or doorways. Student organizations may seek approval from the Office of Student Services & Residential Life to post flyers. No flyers advertising events with alcohol as the main draw or any offensive materials will be approved for posting. Unauthorized posting of materials on bulletin boards or anywhere else on campus is prohibited and such materials will be removed. Persons posting material in violation of these rules will be subject to the disciplinary processes determined by Office of Student Services & Residential Life.

Room Deposits
Room deposits are applied to the semester room fee and are non-refundable.

Agreement Release
Any student desiring to cancel their housing agreement during the academic year must do so in writing at least 10 work days prior to removing themselves from the premises. Any student wishing to cancel the entire spring portion of their housing agreement must meet one of the following criteria in order for their cancellation request to be considered:

- The student has been called to active military duty
- The student has been academically dismissed by the University
- Released by the University:

  - A student may be summarily suspended from the University residence halls by the Dean for Students with a hearing for violation of the University rules and regulations if in his/her judgment the continued presence of the resident in the halls poses a serious threat to him/herself, to other persons, or to University or private property. The resident will be required to vacate the residence hall immediately and may be notified that he/she will be treated as a trespasser if
he/she returns without approval. Refer to the section on Student Disciplinary Procedures for details of this process.

**Decorations**

Residents are encouraged to personalize their rooms while still following the guidelines below.

b. Light fixtures and sprinkler heads should never be used to hang items, as they are not mounted to hold additional weight. Additional weight on sprinkler heads will cause them to burst and flood the area.
c. Decorations for student rooms consisting of sheets, nets, or large pieces of material hung or draped from the ceilings/walls are prohibited. Large pieces of material are considered a fire hazard, especially when draped across the ceiling.
d. Overhead or room lights may not be covered with any material.
e. Though neon lights are permitted within the residential facilities, they may not be placed in windows or be seen from the exterior of the building.
f. Black (or dark) overhead light bulbs are prohibited in student rooms, lounges, houses and hallways.
g. An easily removable adhesive (3M Command Adhesives or white gum type adhesive) must be used to hang posters, prints, and pictures. Be sure to test the adhesive on a small, hidden area of the room before using. Students will be charged at the end of the year for any damage caused by adhesive removal and/or failure to remove the adhesive product. Double sided tape will damage surfaces and is prohibited.
h. Alcohol and drug paraphernalia, including hookahs, bongs, water pipes or other incendiary devices may not be present in any residential facility, regardless of decorative purpose.
i. No alterations are to be made to the furniture, fixtures, or surfaces provided by the University and no construction or alteration of any type may take place within a room without the express written consent of the Office of Student Services and Residential Life.
j. No live/cut trees are permitted in any residential facility. Artificial trees should not block access to fire safety equipment or exits, and should be treated with fire protection.
k. Only UL approved lights are permitted. Halogen floor and desk lamps are prohibited. Do not overload outlets.
l. Furnishings are not to be used for any function other than their intended purpose.
m. University equipment, furniture, or furnishing may not be removed or disassembled. Students will be charged for replacement or repair costs.

Explosives and Weapons
Possession of any firearms, pellet guns, paint ball guns, Airsoft guns, knives, swords, target rifles, fireworks, nunchaku, and other items that are considered to be dangerous is strictly prohibited. Any item of this nature found in a student room may be confiscated and the occupants of the room will be referred to the conduct process for disciplinary action.

Fire Safety
Fire alarms, suppression systems and other safety equipment are located throughout all residential facilities. Residential Staff review evacuation procedures during initial floor meetings at the beginning of the academic year. Procedures may be found in hallways/corridors within the residential facility. Residents should be familiar with multiple means of egress in the event the
most convenient, or traveled path, is not available. Residents should report inoperable or equipment that has been tampered with immediately to a member of the hall staff. Strong disciplinary action, which may include termination of the housing agreement and/or suspension from the University, will result for those residents responsible starting a fire in, or near, any residential facility, tampering with fire alarm equipment (including smoke detectors), or refusing to vacate the facility in the event of an alarm activation. Residents of facilities with a building sprinkler system should take special precautions to avoid tampering with, molesting, or accidentally activating. For example, sprinkler heads should not be used as a way to hang items in the room. Students may be held liable for damages that occur in rooms/common areas as a result sprinkler activation.

Fire Evacuation Policy
For proper procedure:
- **Activate the fire alarm.**
- **Call White Plains Police, 911** from on campus or via cell telephone and report caller name. Report the name of the building, location of fire (wing, floor, and room), nature of fire (laundry equipment, mattress). Stay on the line for questions, if it is safe to do so. The police communications officer will contact the local fire department.
- **Close all doors leading to the area** (do not lock them).
- **Meet the students from one's area** as arranged in advance.
- **Wait for further instructions** from the hall director, resident advisor, or safety personnel.

Flammable Materials Policy
- Flammable materials such as lighter fluid, grill briquettes, propane, kerosene, gasoline, oil based paint, tiki torches, and paint thinner are not allowed in any residential facility. Anything that could either start or rapidly accelerate a fire is restricted from the hall. If students have questions about whether something is allowed, please contact the residential staff. While we do not require any items students bring to be fire-retardant, students should do everything to keep their room as risk-free as possible.

Furniture
Removal of University furniture from student rooms is prohibited. No alterations are to be made to University furniture and all furniture must be returned to the original configuration upon check-out from the room. Additional furnishings brought into the room must be freestanding and clear of all existing fixtures, furniture, or walls. Removal of common area furnishings or equipment from their proper locations constitutes theft of University property.

Grills/Outdoor Grilling
Residents may only grill on external grills already installed on campus. Portable gas or charcoal grills will be confiscated. Grilling is not allowed in any other locations. Please be respectful of nearby residents when using the grills.

Halogen Lamps and Other Lighting

**Home Owners and Renter’s Insurance Policy**
The University is not responsible for damage, loss, or theft of property in any residential facility (or for personal injury). Students are encouraged to obtain insurance through their parent’s or guardian’s insurance company or purchase individual renter’s insurance to cover possible losses.

**Pets**
Due to health and safety hazards and sanitation problems, pets are not allowed in the residential facilities. Fish are permitted. The maximum allowed capacity of a fish tank is two gallons. Residents are not permitted to keep dogs or cats as guests even for brief periods of time. If discovered, pets will be removed and residents will be assessed a cleaning charge.

**Quiet Hours and Courtesy Hours**
In order to provide an environment that is conducive to sleeping and studying, quiet hours will be maintained every day from 11 pm till 8 am. These times will be extended during exam periods. The staff retains the right to uphold and implement these policies. All residents are required to respect their neighbors by maintaining twenty four hour courtesy hours. Residents violating this policy will be referred to the conduct process for disciplinary action. Personal amplification systems including stereos and radios may not at any time be played loudly, be placed in facility windows, or be used with the intention of entertaining individuals outside the resident’s room.

**Room Entry**
While the University makes every reasonable attempt to respect students’ privacy, it reserves the right to enter a room and, if deemed necessary, to conduct a search of a room. Typically, University personnel will limit room entry to the following instances:

- **Administrative Searches**
  - Administrative searches are those conducted due to suspicion that a University rule or regulation has been violated and that evidence of a violation will likely be found in a particular place. Authorization is given by the Dean for Students. The student whose room/belongings are in question shall be present whenever possible; however, administrative searches may take place without a room’s occupant(s) being present. At the conclusion of a search the student will be notified of the outcome and the names and titles of all persons conducting the search. Administrative searches are not generally conducted for the purpose of criminal prosecution.

- **Facility Work**
  - To provide routine, emergency or preventative custodial and/or maintenance work.

- **Personal Emergencies**
  - To respond to an indication of danger to life, health, or property.

- **Policy Violation**
To respond when there is reasonable cause to believe that a violation of University or Housing policy is occurring.

Safety and Security
Students are expected to take an active role in maintaining safety and security on campus. Failure to do so jeopardizes the safety of everyone concerned. Therefore, the following practices must be observed:

a. objects may not be dropped or thrown from windows nor may screens or windows be removed;
b. students are not permitted on roofs, banisters, or on any other structure that is not designed for common traffic;
c. only designated entrance/exit doors are to be used;
d. doors are to be returned to a secured (locked) position after use;
e. windows and doors should always be locked when students leave their rooms or when asleep;
f. students must carry their Access Card and keys at all times;
g. University-owned keys are never to be loaned out or duplicated;
h. anyone or anything that appears suspicious should be reported to Pace University Security immediately; (914-422-4111), and
i. students should always use caution when traveling on or around campus, especially after dark. Call Security for an escort at 914-422-4111.

Solicitation
Groups who wish to sell tickets or goods must receive prior approval from the Office of Student Services and Residential Life. Approved solicitation usually is limited to an area in the lobby of the residential facility and requires a written notice verifying permission from the Office of Student Services and Residential Life. Students and student groups are not exempt from this policy. No commercial business (including regular day care and Internet sales) may be conducted on the premises. If students encounter persons soliciting in residence halls, please report them to an RA or Pace Security immediately. The Office of Student Services and Residential Life reserves the sole right to approve or deny any collection boxes for philanthropic activities. Any unapproved boxes will be removed and their contents will be discarded.

Sports and Games
Sports in the residential facilities are prohibited due to the potential danger to individuals and property, including safety equipment, such as sprinklers and fire extinguishers.

Stairways, Hallways, and Breezeways
For reasons of fire safety and security, stairways and common hallways must be kept free of combustible items and all other objects that would contribute to the intensity of a fire or prevent free and clear access to or egress from the rooms. This includes plants, boxes, bicycles, shelves, toys, sports equipment and other items. Do not use stairwells or hallways for storage of any kind. Nonflammable door decorations are permitted; however, holiday lights are not permitted on the exteriors of doors.
Theft/Loss
The University does not assume any responsibility for articles lost or stolen from rooms. Residents should take precautions to ensure, to the best of their ability, that theft does not occur. The University cannot assume responsibility for personal property stored in, delivered or shipped to a residential facility. Report any theft or loss to an RA and to Pace Security. Remember to inquire about homeowners’ insurance coverage or obtain renter’s insurance for personal property.

Trash and Recycling
Improperly disposed of trash is a nuisance for other residents and custodial staff. All trash and recycling materials should be disposed of in properly marked containers. Residents should dispose of their trash and recycling on a regular basis to avoid creating a health hazard.

Vandalism and Pranks
Residents should take proper care of their building and its furnishings. Vandalism will bring strong disciplinary action. Students witnessing an act of vandalism or who know the identity of the responsible person(s) should notify a Residence Life staff member immediately. The University reserves the right to assess residents collectively or individually for damage to their building or its furnishings. Pranks that result in disturbances or distress to others, or cause damage to University or personal property (or those that foreseeably could have caused such disturbance or distress) are prohibited. Examples include water fights, shaving cream fights, penny locking, removal of peepholes, etc.

All policies may be amended or changed at any time at the discretion of the Office of Student Services & Residential Life & Housing.
